

KUSHAL B R

Bangalore, India | 6361446598 | kushalbr8@gmail.com

Profile

Motivated Computer Science student with foundational knowledge in Python, SQL, and cybersecurity concepts. Detail-oriented and eager to apply analytical and problem-solving skills to real-world technical challenges. A reliable team player with strong communication and time-management skills, looking to gain valuable experience and contribute to a professional environment.

Skills

- Technical Skills: Python (Basic), SQL, Power BI
- Soft Skills: Adaptability, Quick Learner, Problem Solving, Interpersonal Communication
- Languages: English, Kannada, Hindi, Tamil, Telugu

Education

Diploma in Computer Science

Dayananda Sagar Institute of Technology, Bangalore

Bachelor of Engineering (or current degree)

T. John Institute of Technology, Bangalore

High School Education

JSVK School, Bangalore

Projects

Detection of Web Attacks Using Log Analysis

- Developed a system to identify and detect common web vulnerabilities, including Cross-Site Scripting (XSS), SQL Injection, and Distributed Denial of Service (DDoS) attacks.
- Analyzed system logs to recognize malicious traffic patterns and generated detailed security reports based on the findings.

AI Desktop Partner

- Built a desktop-based artificial intelligence virtual assistant using Python.
- Designed the assistant to interact with users, automate routine desktop tasks, and improve overall user efficiency.

Courses & Certifications

- Cyber Security Bootcamp | Infosys Springboard (November 2022 — January 2023)
- DELOITE CYBER SECURITY (2026)
